

Catalog Addendums 2016-2017

This addendum to the 2016-2017 Arkansas State University-Newport Catalog contains changes that offer new educational opportunities for students. These updates were approved after the 2016-2017 Catalog went to press. Although every effort has been made to ensure accuracy of the information, students and others who use the catalog and addendum should consult with a counselor, dean, department chair or program director for any additions, deletion or changes.

About the Catalog

The Arkansas State University-Newport catalog is published annually and include academic policies, procedures, programs, courses, and faculty. Every effort has been made to make the catalog accurate as of the date of publication; however, all policies, procedures, fees, and charges are subject to change at any time.

Updates to the Catalogs

The curriculum process is governed by the University Curriculum Committee. The committee considers new curricula proposals, changes and discontinuations to the catalogs. The curriculum approval process generally consists of a proposal from the department/program level, approved by the department/program curricula committee, college curriculum committee, and the dean. Catalog updates are generally processed with approvals from department, college, and committee representatives. Editing begins early in the calendar year with changes due by April 30th at the latest. The catalog is published by July 1st each year.

Purpose of this Addendum

The purpose of this addendum is to provide additional information about new programs and courses that occurred after publication of the 2016-2017 Catalog. It is to be used in conjunction with the 2016-2017, Arkansas State University-Newport catalog. This addendum is being provided in order for all curriculum information to be available for advisement and program/course selection to better serve students, advisors, and the ASUN (campus) community. This addendum includes approved changes to programs and courses as well as changes in policies and degree requirements. All changes and additions listed here take precedence over the information contained in the 2016-2017, Arkansas State University-Newport catalog. All information contained in this addendum is subject to change without notice.

Listed below are updates to the 2016-2017 Catalog. This includes new programs and courses and changes to programs and courses.
