**Our Next Pathway: A Strategic Plan, 2006-2010** was approved May 1, 2006.

**VISION:**

Arkansas State University Newport is a great place to start one's higher education whether it is for job training, professional certification, general education requirements, or an Associates degree.

**VALUES:**

- Community
- Quality
- Integrity
- Affordability
- Collaboration
- Diversity

**STRATEGIC GOALS:**

1. To provide an academic environment which will motivate and enable students from diverse backgrounds to achieve their educational goals.
2. To promote institutional development which will attract new enrollment and retain quality students.
3. To strengthen student commitments to life-long learning, career development and community leadership.
4. To expand the role of the institution in the economic development of the Arkansas Delta Region.
5. To strengthen collaboration and working partnerships with other education service providers, business and industry employers, and community members.
6. To secure additional funding for institutional development and advancement from state, local, and private sources.
7. To expand and improve physical and technological facilities of the institution.
8. To ensure integrity and quality in all areas of institutional performance.
9. To provide continuous communication and accountability to the multiple constituency groups served.

**KEY INSTITUTIONAL OUTCOMES:**

The achievement of a number of pervasive key outcomes requires institution-wide commitment and team effort. Following are the critical measures which will be monitored as indicators of progress toward our strategic goals:

- Increase student enrollment;
- Increase retention rate of students;
- Increase employer satisfaction with alumni;
- Increase business/industry partnerships;
- Raise student satisfaction with institutional programs and services;
- Cultivate diversity in the student body, staff, and faculty;
- Retain quality faculty and staff;
- Promote faculty and staff development and increased credentials;
- Promote efficiency in resource allocation and management;
- Increase external funding; and
- Advance community support of institutional services.
