A. Purpose

Arkansas State University Newport seeks to assume a leading role in creating economic and cultural advancement for the communities we serve. A key part of this strategy is to provide opportunities for current and prospective employees of regional business and industry sectors to participate in skill building activities, both professional and technical. Tracking and reporting of these activities is necessary to ensure effective institutional outreach to the institution's business and industry partners.

B. Definitions

Client Proposal: Each billable event or training activity is to include a documented proposal. This document may be in email format, and includes key pieces of information: Instructor, Date(s) of activities, client contact person, location of activity, and pricing. This document is to be followed by a service agreement to include approvals of client and ASUN personnel.

Service Agreement: Each billable event or training activity is to include a documented service agreement. This document includes key pieces of information: Client billing information, Purchase order numbers (if applicable), Date(s) of activities, client contact person, location of activity, specifics as to scope of work to be performed, and pricing. This document is to be signed by both client and ASUN personnel.

C. Scope

All ASUN employees, students, and visitors are expected to adhere to operating procedures. All employees are expected to know and abide by operating procedures. Individuals involved in fulfilling the requirements of this operating procedure include the Administrative Assistant for Economic & Workforce Development and the Vice Chancellor for Economic & Workforce Development. There may be occasions when additional staff may be asked to perform components of this process under the direction of the employees listed above.
