

Catalog Addendums 2024-2025

This addendum to the 2024-2025 Arkansas State University-Newport Catalog contains changes that offer new educational opportunities for students. These updates were approved after the 2024-2025 Catalog went to press. Although every effort has been made to ensure the accuracy of the information, students and others who use the catalog and addendum should consult with a counselor, Dean, Associate Dean, or program director for any additions, deletions, or changes.

About the Catalog

The Arkansas State University-Newport catalog is published annually and includes academic policies, procedures, programs, courses, and faculty. Every effort has been made to make the catalog accurate as of the date of publication; however, all policies, procedures, fees, and charges are subject to change at any time.

Updates to the Catalogs

The curriculum process is governed by the University Curriculum Committee. The committee considers new curricula proposals, changes, and discontinuations to the catalogs. The curriculum approval process generally consists of a proposal from the department/program level, approved by the department/program curricula committee, the college curriculum committee, and the dean. Catalog updates are generally processed with approvals from the department, college, and committee representatives. Editing begins early in the calendar year with changes due by April 30th at the latest. The catalog is published by July 1st of each year.

Purpose of this Addendum

The purpose of this addendum is to provide additional information about new programs and courses that occurred after the publication of the 2024-2025 Catalog. It is to be used in conjunction with the 2024-2025, Arkansas State University-Newport catalog. This addendum is being provided in order for all curriculum information to be available for advisement and program/course selection to better serve students, advisors, and the ASUN (campus) community. This addendum includes approved changes to programs and courses as well as changes in policies and degree requirements. All changes and additions listed here take precedence over the information contained in the 2024-2025, Arkansas State University-Newport catalog. All information contained in this addendum is subject to change without notice.

Listed below are updates to the 2024-2025 Catalog. This includes new programs and courses and changes to programs and courses.
