

*Arkansas State University-Newport's mission is to provide an accessible, affordable, quality education that transforms the lives of our students, enriches our communities, and strengthens the regional economy.*

## **PHSC1204: Physical Science**

*ACTS Equivalency: PHSC1004 Physical Science*

**Catalog Description:** An introduction to basic concepts of physical science for the student who has completed no college course in chemistry or physics. This course is designed to provide an understanding of the facts, methods, and significance of the physical sciences by concentrating on selected topics from physics, chemistry, earth science, and astronomy.

**Prerequisite:** MATH1023 College Algebra or MATH1083 Plane Trigonometry

**Course Type:** Lecture/Lab

### **Materials: Required and Optional**

Required Text: *The Physical Universe, 16th Ed.*, by Krauskopf and Beiser. McGraw Hill, ISBN # 9780077862619. If you have or wish to use a previous edition of the textbook, contact me so we can go over what differences (if any) exist between editions.

**On-campus:** For students enrolled in on-campus physical science, all lab documentation will be posted to the class's Canvas page.

**Online:** *Hands-On Labs Physical Science Lab Kit LP-3297-CK-01* (<https://holscience.com/>). Online students will need to purchase this custom lab kit from the ASU-Newport Bookstore (<https://bookstore.asun.edu/>) or from Hands-On Labs directly. The direct link to purchase this kit from Hands-On Labs is <https://myhol.holscience.com/enroll/cpsv-fvxp-bmxk-zvzn>. This purchase is only for the lab kit itself, as the lab handouts will be posted to Canvas. Since you won't be enrolling in anything through Hands-On Labs, feel free to split the cost of this kit among peers (though you will need to do your own work with the equipment).

### Americans with Disabilities Act Compliance

In order to obtain appropriate disability related accommodations and services to which they are entitled, students with documented disabilities should voluntarily and confidentially provide the Office of Educational Access (870-512-7838 or [CEA@asun.edu](mailto:CEA@asun.edu)) with appropriate medical documentation regarding the nature and extent of their disability, make their needs known to this Office and follow established procedures for acquiring needed services and accommodations in the classroom or online.

### Information Technology Services

If you experience any problems or issues with Canvas, MyCampus, or other equipment, please contact ITS at 870-512-7783 or <http://its.asun.edu>. Canvas also has a 24/7 live chat. This is a valuable resource for those late-night tests or assignments that just do not seem to work properly.

ASU-Newport provides a number of different services to assist students in areas that directly impact their academic success. The following direct websites will help you get in touch with those services that may be needed during your time as an ASUN student:

Academic Support Center: <http://academicsupport.asun.edu>

Financial Aid: <http://financialaid.asun.edu>

Career Pathways: <http://pathways.asun.edu>

University Police: <http://cpd.asun.edu>

**Academic Dishonesty** (*as stated in the Student Handbook*)

ASU-Newport enthusiastically promotes academic integrity and professional ethics among all members of the ASU-Newport academic community. Violations of this policy are considered serious misconduct and may result in disciplinary action and severe penalties. Cheating in any form-including plagiarism, turning in assignments prepared by others, unauthorized possession of exams - may result in the student being dropped from the class with an “F” and/or being suspended from the College. Students who feel they have been unfairly accused of cheating may appeal to the Associate Dean of General Education.

**Printing**

\*Each student is allowed 200 sheets of copy paper per semester for printing. Additional printing requires a \$5.00 printing fee which covers an additional ream of copy paper. The fee can be paid by either visiting or calling the Business Office.

**Campus Safety Information**

What to know and do to be prepared for emergencies at ASUN:

- Opt-in to receive ASUN’s School Messenger notifications regarding weather closings, emergencies, and other important notifications. All currently enrolled students will receive an email within the first two weeks of the semester prompting them to Opt-in to the messaging system.
- Know the safe evacuation route from each of your classrooms. Emergency evacuation routes are posted in on-campus classrooms.
- Listen for and follow instructions from your instructor or other designated authorities.
- For additional emergency information see the ASUN Emergency Response Guide in the Portal under “More” then select “Department of Safety”.
- Know the emergency phone number for ASUN Campus Police or dial 911.
- Report suspicious activities and objects found on campus.
- Keep your permanent address and emergency contact information current in My Campus.

**Inclement Weather**

In the event of inclement weather, class cancelation is left to the discretion of the Chancellor. You will be notified of class cancelation on the university website, through news media, and through our school messaging system.

**Children in the Classroom:**

ASUN classroom policy requires that the learning environment should be free of distraction in order to provide the highest learning opportunity for all students. In this light, students should not bring children to the classroom. If you must bring a child on campus, please have your child properly supervised in the public gathering areas.

**NOTE TO STUDENTS:**

All course activity open and due dates are articulated in Central Standard Time (CST) regardless of the student’s residential location. If you reside in a time zone other than CST, please ensure you utilize the appropriate conversion for all course activities.

**COURSE POLICIES**

**Course Learning Outcomes:**

Upon successful completion of this course, students will be able to:

Course Learning Outcomes	Assessment
Students will demonstrate their understanding of the scientific method, evaluating data from measurements and identifying errors while applying their knowledge to solve real world problems utilizing its principles.	<ul style="list-style-type: none"> <li>- practices</li> <li>- participation</li> <li>- lab reports</li> <li>- quizzes</li> <li>- tests</li> <li>- final</li> </ul>
Students will demonstrate their understanding of the basic concepts of physics, articulating when, where, and how to apply the laws and principles and applying their knowledge to evaluate and solve real world problems involving topics such as motion, forces, and energy.	<ul style="list-style-type: none"> <li>- practices</li> <li>- participation</li> <li>- lab reports</li> <li>- quizzes</li> <li>- test #1 and #2</li> <li>- final</li> </ul>
