## THE FAFSA® PROCESS

Each year, the federal government provides more than \$150 billion in financial aid (grants, work-study, and loans) for college or career school. To apply for this aid, you must complete the Free Application for Federal Student Aid (FAFSA®). Also, state governments and many colleges and career schools use your FAFSA information to award you their aid.

### DID YOU KNOW?

Some schools won't consider you for merit scholarships or awards based on academic achievement or other factors unless you've submitted a FAFSA, so complete one first if you think you won't qualify for federal aid.

### RELAX!

The FAFSA is designed to be simple to fill out. Even throughout the application help you understand the questions. Also, you can track filing and the FAFSA in less than half an hour.

## PREPARING FOR THE FAFSA®

The FAFSA process is quicker and easier when you have a username and password called an FSA ID. (If your parent is providing information on your FAFSA, he or she will need his or her own FSA ID as well.) Learn more about the FSA ID and how to create yours at [StudentAid.gov/aid](http://StudentAid.gov/aid).

### GATHER THIS INFORMATION

The FAFSA asks questions about you and your finances, so have the information below handy.

- Social Security number
- Alien registration number
- Federal tax information or federal tax returns
- Records of earned income
- Cash, savings, and checking account balances
- Investments other than the home in which you live

### DON'T HAVE ALL YOUR INFO READY YET?

That's okay; you can start the FAFSA, save it, and come back later to finish it. (If you need advice, you need to report it, about your reports, visit [StudentAid.gov/dependencies](http://StudentAid.gov/dependencies).)

## FILLING OUT THE FAFSA®

Each October, the FAFSA is available for the next school year. It's important to fill it out as soon as possible to meet school and state financial aid deadlines.

### SUBMISSION OPTIONS

- Electronic form <http://fafsa.gov>
- Mail-in application (download PDF at [fafsa.gov](http://fafsa.gov) or enter a request for it at [www.irs.gov/efile](http://www.irs.gov/efile))
- Electronic submission by your college or career school (ask if they can submit the FAFSA for you)

### MEETING FINANCIAL AID DEADLINES

Each state and school has its own FAFSA deadlines. Check a college or career school's deadline on its website or by calling its financial aid office. Visit state websites at [fafsa.gov/deadlines.htm](http://fafsa.gov/deadlines.htm).

### DID YOU KNOW?

You may be able to receive and transfer tax information to the form electronically using the Federal Processor Service Center website ([fpc.irs.gov](http://fpc.irs.gov)).

## PROCESSING THE FAFSA®

After you submit your FAFSA, your information will be sent to the colleges and/or career schools you listed on the form.

### PROCESS TIMELINE

You'll receive an e-mail within a few days, letting you know your FAFSA was processed.

Your college or career school might request additional information from you. Make sure you respond by any deadlines.

### FIRST-TIME APPLICANTS

You'll receive an aid offer from each college or career school you applied to and listed on your FAFSA, letting the amount of aid you could receive at the school.

Review and compare your offers, and decide which option is best based on the school's net cost and how well the school suits your needs.

### RENEWAL APPLICANTS

You'll receive an aid offer from your school, letting the amount of aid you could receive at the school.

### RECEIVING FINANCIAL AID

Formally accept the school's aid offer, and remember, if you've offered student loans, borrow only as much as you really need.

Your school will handle your first-time financial aid information and how your aid will be paid out, what it'll cover, and how much (if any) money will come directly to you once classes and fees are paid.

Get free assistance and answers at [fafsa.gov](http://fafsa.gov) or 1-800-4-FED-AID (1-800-433-3243).

Final Deadline: August 10, 2018 at 4:30 p.m.

## Step 7: Keep Financial Aid

Federal regulations require all recipients of student financial aid to make Satisfactory Academic Progress (SAP) towards an eligible degree or certificate program. Students applying for assistance through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work Study, Direct Subsidized Loan, Direct Unsubsidized Loan, Direct Parent PLUS Loan and other programs as determined by the Financial Aid Office must meet the requirements in the policies listed below to maintain their financial aid eligibility at ASU-Newport, including the Jonesboro and Marked Tree sites. Being financially eligible according to results from the Free Application for Federal Student Aid (FAFSA) does not mean the student is eligible for federal aid at ASUN. Rules are applied uniformly to all students whether or not aid has been previously received.

The Financial Aid Office (FAO) monitors SAP at the end of each semester, including summer, for financial aid recipients. In reviewing SAP, FAO personnel evaluate GPA, completion rate and maximum timeframe. At the conclusion of each semester, students who do not meet the minimum SAP requirements are notified and either placed on Financial Aid warning (FA Warning) or Financial Aid Suspension (FA Suspension). Please note: students on FA Warning have one semester to meet SAP eligibility or will be placed on FA Suspension the next semester.

- Students placed on FA Warning are eligible for financial aid consideration and do not need to appeal, but will be required to sign an academic plan.
- Students placed on FA Suspension are no longer eligible for financial aid and may submit a SAP appeal to be considered for financial aid for one semester.

## Tuition and Fees

Student tuition and fees are due in full at the time of registration. It is the responsibility of the student to verify, prior to the first day of classes, that sufficient aid is in place to cover tuition and fee charges for the semester. Payment arrangements should be made prior to the beginning of the semester, if sufficient financial aid has not been awarded to the student's account.

Payments can be made by phone by calling (870) 512-7802, or in-person via the cashier at any of our campus locations.

For students that do not have financial aid in place and are unable to pay the full amount of tuition and fees before classes begin, we offer an online payment plan through [FACTS](#).

Cash-paying students enrolled in the Commercial Driver Training Institute (CDTI) program will be required to pay the cost in full upon registration of the program. Payments are made by phone by calling 870-512-7802, or in person at the cashier window on the Newport campus. CDTI students who are sponsored by a third party will have their account credited for payment when the billing processes are complete and the paying entity makes payment for the sponsored student.

# NELNET MONTHLY PAYMENT PLAN

<http://asun.edu/facts>

## NelNet Monthly Payment Plan

Paying for the rising costs of a college education is a concern for nearly every student and their family. The fact is, few of us have the resources to simply write a check for the full cost of tuition each semester. Having a solid plan for covering the cost of college is an important step toward graduation.

Arkansas State University-Newport is pleased to enlist the services of NelNet to make the process easier for you. NelNet is a convenient budget plan, not a loan program. You have no debt, there are no interest or finance charges assessed and there is no credit check. The cost to budget your interest-free monthly payment plan is a \$25.00 per semester (or \$45 annual) non-refundable NelNet enrollment fee or a \$2.00 enrollment fee for immediate full payments.

### Payment Options

#### Automatic Bank Payment (ACH)

ACH payments are those payments you have authorized NelNet to process directly with your financial institution. It is simply a bank-to-bank transfer of funds that you have pre approved for your expenses at ASUN. Payments may be made from either your checking or savings account. Payments are processed on the 5th of each month and will continue until the balance is paid in full.

#### Credit Card Option

Paying with your credit card gives you the option of taking advantage of any bonus programs that may be offered by your credit card company. Your monthly payment will be automatically charged to the credit card you designate. Payments will be charged on the 5th of each month until the balance is paid in full.

#### Down and Full Payment Options

Down or full payments are deducted immediately from the account provided on the agreement. If the payment fails for any reason, the agreement is terminated and notification is sent to the person responsible for payment. A \$2.00 non-refundable NelNet enrollment fee will be assessed

All forms of sexual discrimination will be investigated with prompt steps taken to end the misconduct, prevent its recurrence, and address the effects.

The health, safety, and well-being of the public and members of the University community are the primary concern of ASU-Newport. If you or someone you know may be a victim of any form of sexual discrimination, you are strongly encouraged to seek immediate assistance by contacting the Title IX Coordinator at 870-512-7874.

### Sexual Harassment

Arkansas State University is committed to creating and maintaining a University community that is free from all forms of sexual harassment. ASUN shall not tolerate harassment in relation to the evaluation of employee or student performance, nor shall the University tolerate such behavior in the context of collegial and/or co-worker interaction. Such conduct is an abuse of authority and position. ASUN maintains as its official policy that sexual harassment of either employees or students will not be tolerated. The University shall act promptly to investigate all allegations of sexual harassment and to effect appropriate remedy when an allegation is determined to be valid.

Sexual harassment is defined as unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to or toleration of such conduct on or off campus is made a term or condition of instruction, employment or participation in other university active ties.
2. Submission to, or rejection of such conduct by an individual is used as a basis for evaluation in making employment or academic decisions affecting the individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's academic or employment performance or creating an intimidating, hostile or offensive University environment.

Supervisors and faculty members must recognize that their positions necessarily embody unequal power relationships with their subordinates and students, respectively. Because of the inherent power difference in these relationships, the potential exists for the less powerful to perceive a coercive element in suggestions relative to activities outside those appropriate to the professional relationship. It is the responsibility of supervisors and faculty members to behave in such a manner that their words or actions cannot reasonably be perceived as coercive.

All members of the university community are urged to report incidents of sexual harassment to the Department of Human Resources.

## 9 THINGS TO KNOW ABOUT TITLE IX

1. Title IX is a landmark federal civil right that prohibits sex discrimination in education.

2. Title IX does not apply to female students only.

3. Schools must be proactive in ensuring that your campus is free of sex discrimination.

4. Schools must have an established procedure for handling complaints of sexual discrimination, harassment, or violence.

5. Schools should ensure that a victim doesn't have to share spaces, such as dorms, classes and campus jobs, with his or her assailant.

6. Schools may not retaliate against someone filing a complaint and must keep a complainant-victim safe from other retaliatory harassment or behavior.

7. Schools can issue a no-contact directive under Title IX to prevent the accused student from approaching or interacting with you.

8. In cases of sexual violence, schools are prohibited from encouraging or allowing mediation (rather than a formal hearing) of the complaint.

9. Schools cannot discourage you from continuing your education.
