Arkansas Rural Nursing Education Consortium

**I. STATEMENT OF PURPOSE**

This Memorandum of Agreement (hereinafter "Agreement") is made and entered into by and between the University of Arkansas for Medical Sciences – College of Nursing (hereinafter the "UNIVERSITY"), and Arkansas Rural Nursing Educa (hereinafter "ARNEC"), which have agreed to cooperate for the purpose of assisting licensed graduates and current students from ARNEC Associate Degree Registered Nurse (RN) program to complete a Bachelor of Science in Nursing (BSN) degree. It is the intent of the parties by entering into this Agreement to offer students a seamless, online degree completion option to increase the number of BSN credentialed registered nurses in the state of Arkansas.

**II. POINTS OF AGREEMENT**

**OWNERSHIP:**

1. The UNIVERSITY shall have total ownership of the RN to BSN Completion Program (hereinafter "Program"). Administration, management, and operation of the Program shall be the responsibility of the UNIVERSITY.
2. All nursing courses included in the Program curriculum will be taught by faculty of the UNIVERSITY. The UNIVERSITY shall have the exclusive right to determine and make all financial, technical, and professional policies related to the nursing courses. The UNIVERSITY shall have full and complete ownership of all nursing courses and exclusive control over the administration, management, and operation of those courses.

**APPLICATION AND ADMISSION:**

3. Students will apply to the Program through the UNIVERSITY, which has exclusive responsibility for admission to the Program.

The UNIVERSITY reserves the right to not select an applicant to the Program based upon a deficiency in one or more admission requirements. Although the UNIVERSITY is committed to accepting qualified applicants and will strive to adjust appropriately if the number of qualified applicants increases due to this Agreement, each party understands and agrees that academic qualification does not guarantee a student's admission to the Program. In addition to meeting the required academic qualifications, a student's admission to the Program will be contingent on whether space is available in the program for students. Space availability will be solely determined by the Dean of the UNIVERSITY Program. The criteria for making the determination of adequate space availability will be sufficient faculty to teach the courses required for Program completion.

4. Current [ARNEC] students will be considered qualified applicants if they meet the following criteria:
- a. Have successfully completed the [ARNEC] Associate Registered Nursing general education courses with a minimum of a “C” grade.
  - b. Have a 2.50 cumulative grade point average (GPA) in the [ARNEC] program.
  - c. Have completed a general education Speech course or agree to register to take a Speech course while enrolled in the first UNIVERSITY nursing course.
  - d. Full admission status will be granted by the UNIVERSITY to students who graduate from [ARNEC] and who successfully complete the National Council Licensure Exam (NCLEX) RN exam.

5. [ARNEC] graduates will be considered qualified applicants if they meet the following criteria:
- a. Have a 2.50 cumulative GPA.
  - b. Have successfully completed the [ARNEC] Associate Registered Nursing general education courses with a minimum of a “C” grade.
  - c. Have completed a general education Speech course or are enrolled in a Speech course.
  - d. Hold an unencumbered RN license.

The UNIVERSITY shall have the exclusive right to determine the transferability of courses from colleges and universities. The Arkansas Course Transfer System (ACTS) allows successful course transfer between educational programs. ACTS will be used to determine course transferability.
