

April 15, 2018

Dear ARNEC Leaders/Chairs/Coordinators,

As Director of our RN-to-BSN track, I am connecting with you to spread the word about our **online RN-to-BSN program**. We stand with you in recognizing the need for expert nursing care throughout Arkansas. Our fully online curriculum enables registered nurses, anywhere in the state, to receive quality education at an affordable price, with a local faculty dedicated to improving health care access. Our dedication to student success can help your students confidently pursue their next step in nursing education.

We have an incredible flat-rate tuition package and degree plan designed for the working registered nurse (enclosed). **Nurses can earn their BSN online for a total tuition of as little as \$6,000.** We are fully accredited by CCNE (The Commission on Collegiate Nursing Education).

I am happy to partner with you and all participants in ARNEC to help more Arkansas nurses take the next step in advancing their knowledge and careers.

For enrollment information please email or call anytime. sabajt@hsu.edu; 501-625-3834

Sincerely,

Trudi Sabaj, RN, PhD

Director, RN-BSN Track
