

ASUN and HEERF II Student Emergency Grant Amounts

Eligible Students: Degree-seeking, financial aid eligible students who are enrolled in Spring 2021. Student Emergency Grants are based on financial aid eligibility and number of hours enrolled as of March 17, 2021. Students who enroll in Spring 2021 courses and/or file the 20-21 FAFSA after March 17, 2021, will be reviewed on an individual basis. If funds are available, student emergency grants will be awarded. Students who have a bachelor's degree will be considered "not pell eligible" and receive the amount that corresponds with their enrollment status.
