

Certificate of Proficiency: Automotive Mechanical Systems (16 ch) Certificate of Proficiency: Automotive Engine Performance (15 ch) Certificate of Proficiency: Automotive Heating and Air Conditioning(7 ch) Certificate of Proficiency: Automotive Transimissions and Axles(13 ch) Technical Certificate Automotive Service Technology (45 ch) Associate of Applied Science Automotive Service Technology (60 ch)

Program Description:

Students requiring developmental coursework may not be able to complete this program of study in four (4) semesters. Developmental courses do not count toward total degree hours. Students having completed college level courses prior to enrollment will be assisted by their advisor in making appropriate substitutions. General education courses may be interchanged between semesters.

Course #	Course Title
