

Associates of Applied Science Surgical Technology (60 ch)

Program Description:

The program in Surgical Technology prepares the graduate for employment as an integral part of a surgical team. Surgical Technologists work closely with surgeons, anesthesiologists, registered nurses, and other surgical staff in delivering patient care and assuming appropriate responsibilities before, during and after surgery. Surgical Technologists are employed in acute and ambulatory care facilities. Upon completion of the program of the basic one-year program, the student is granted a Technical Certificate. Upon completion of the program, students sit for the National Board of Surgical Technology and Surgical Assisting (NBSTSA) Certified Surgical Technologist (CST) exam. Upon graduation from the program and successful completion of the exam, students will be designated as a Certified Surgical Technologist (CST).

Possible Prerequisites:

Course #	Course Title		
ENCO051	Writing Comin		

ENG0051 Writing Seminar MATH0021 Foundations of Math Reasoning

ENG0053 English Fundamentals MATH0083 Math Fundamentals

First Semester			Second Semester		
Course No.	Course Name	Hours	Course No.	Course Name	Hours
