These scholarships are generally awarded annually and usually range from \$500 to \$1,000. However, the number and amount of the scholarships are always dependent on the availability of funds. Students will complete this one application for all of the private donor scholarships.

ELIGIBILITY GUIDELINES

- Priority will be given based on need, specific donor guidelines, and/or scholastic achievement.

- III. Applications will not be considered without being fully completed as to personal and financial information.
