E. Procedures

When a student has a complaint that is unrelated to a grade appeal, discrimination or other grievance that has a separate procedure or policy, the complaint will be logged by the receiving student affairs office. The log for complaints will include the date, department, complaint narrative, steps of resolution, final decision, reply/communication date, and any external actions recommended and/or taken as a result of the complaint.

All complaint logs will be submitted to the Vice Chancellor for Student Affairs at the end of each academic term (Fall, Spring, Summer I, Summer II). The complaint logs will be reviewed yearly to determine additional procedural needs or trends that warrant corrective action within Student Affairs. The Vice Chancellor for Student Affairs will compile the complaints for each academic term and submit them to the Vice Chancellor for Academic Affairs.

Complaints should be received as follows:

1. Direct student or other complainant to engage in an initial discussion with staff, instructor, advisor or other appropriate individual.
2. If the issue is not resolved direct student or other complainant to engage in additional discussion with the appropriate Dean/Director who will review the case after step one is accomplished.
3. If the issue is not resolved direct student or other complainant to engage in additional discussion with the Vice Chancellor for Student Affairs. This is the final step in the informal complaint procedure.
4. If the issue remains unresolved direct student or other complainant to review the formal grievance policy in the college catalog.
5. At each point in the process, resolution steps should be documented in the complaint log.
