

Financial Aid Probation: Student Success Plan

Part II: Academic Plan

- When an Arkansas State University-Newport student has a financial aid satisfactory academic progress appeal approved, they are placed on Financial Aid and Academic Probation with a Student Success Plan. Being placed on Financial Aid and Academic Probation means that the student is allowed one more semester of financial aid eligibility.
- Students will remain on a Student Success Plan until they regain full Satisfactory Academic Progress with the Financial Aid office or be placed on Financial Aid and Academic Suspension again. The Student Success Plan is an agreement between the student and the ASU-Newport Financial Aid Office.
- Students who cannot regain Satisfactory Academic Progress in one term of enrollment are required to complete Part II of the Student Success Plan: Academic Plan. The Academic Plan is a plan that outlines the term of enrollment it is estimated when the student will regain Satisfactory Academic Progress.
- The Student Success Plan Part II: Academic Plan should also be used for students who have submitted an Academic Readmission Form (and it approved). A successful approval of the Academic Readmission form only allows the student to enroll in courses and does not reestablish financial aid eligibility.
