

## Financial Aid Probation: Student Success Plan

### Part I: Standards for Success

- When an Arkansas State University-Newport student has a financial aid satisfactory academic progress appeal approved, they are placed on Financial Aid and Academic Probation with a Student Success Plan. Being placed on Financial Aid and Academic Probation means that the student is allowed one more semester of financial aid eligibility and allowed to enroll in courses for the next term of enrollment.
- Students will remain on a Student Success Plan until they regain full Satisfactory Academic Progress with the Financial Aid office or be placed on Financial Aid Suspension again. The Student Success Plan is an agreement between the student and the ASU-Newport Financial Aid Office.
- All students are required to complete Part I of the Student Success Plan. Part I outlines expectations of the student during the next term of enrollment.
- Students who cannot regain Satisfactory Academic Progress in one term of enrollment are also required to complete Part II of the Student Success Plan: Academic Plan. The Academic Plan is a plan that outlines the semester it is estimated when the student will regain Satisfactory Academic Progress.

#### BACKGROUND

The Standards of Success is to be completed by the student and reviewed with the Center for Academic Retention and Success staff.

#### PURPOSE

The purpose of the Standards of Success is to promote self-reflection and promote positive activities to facilitate regaining Satisfactory Academic Progress.
